Old Business:

Sandra Rayson offered the council the opportunity to rescind their March 19, 2015 motion awarding a bid to Emery Lawn and Tractor for the purchase of a 2015 Hydraulic excavator. Mayor Parrott explained that the Council is not required to rescind the motion, but that there were some errors in the information given regarding the flow rates of the pumps on the excavator. Councilor Higginbotham stated that the excavator needs to be able to operate a rotary mower and a mulcher at the same time. He explained that his concern is with the amount of auxiliary flow that will operate the mulching head and stated that the Caterpillar excavator appears to be the only one with enough flow to handle both tasks. Tommy Fullard from Emery Lawn and Tractor and Chris Shay from JTB of Georgia each spoke to this assuring Council that each of their products could handle the work as well. Motion made by C.C. Higginbotham, Jr., seconded by Randy Bordelon, to rescind his motion from the March 19, 2015 Called City Council Meeting that awarded the bid to Emery Lawn and Tractor. Motion was unanimously approved and so declared by Mayor Parrott. Mayor Parrott recommended choosing the lowest bidder as the products appear comparable. The council, Everette Sapp and the representatives discussed the excavator's specifications. Motion made by Louise Mitchell, seconded by Randy Bordelon, to approve JCB of Georgia's low bid of 103,570.00. Motion was unanimously approved and so declared by Mayor Parrott.
