Sheltered by the barrier islands of Jekyll and Cumberland, this up-river dock location is a perfect getaway for fishing and cruising. The fishing on the Satilla is bountiful and the open ocean is close by through St. Andrews Sound off Jekyll Island. Just minutes off I-95 exit 14, Satilla River Landing is a gated community near historic Woodbine, GA and an easy drive north to Savannah or south to Jacksonville. Cruise over to St. Simons Island for lunch or down to Fernandina Beach/Amelia Island on the Intracoastal. After a glorious day of boating, shower and relax by the clubhouse pool. 30 minutes to JAX airport and 15 miles to ocean by boat
